

XV-4007-BLK-FT

2" ID Corrugated HDPE Innerduct w/900# Poly Tape, Black Sold Per Foot

FEATURES:

- HDPE Never becomes brittle even in very cold weather
- HDPE is environmentally friendly & recyclable
- Packaging on reels or hand coils
- Available in solid colors or stripes
- Available with optional pre-threaded pull line
- Flexible & Lightweight for ease of handling
- Optional UV Protection for Long Term Outdoor Installations

RSS Corrugated Conduit is designed to provide high tensile strength with low weight per foot for ease of handling and workability in tight quarters. RSS Corrugated Conduit provides the lowest cable pulling friction of any innerduct design because of reduced surface area. RSS XV-4007-BLK-FT has a corrugated profile designed for excellent flexibility and good crush resistance. XV-4007-BLK-FT is easily bent to conform to turns and offsets in your installation.
