

Installation Instructions

TH512-U05 Angle Adapter (C Clamp)

Rosenberger
Rosenberger Site Solutions, LLC

PRODUCT DESCRIPTION

Universal Angle Adapters provide a durable means for securing coaxial cable to solid angle members or to angle members where pre-punched holes are not easily accessible. The adapters accommodate snap-in hangers via two 3/4" pre-punched holes.

Typical Applications

NOTE

Installation of this product should only be performed by trained, qualified and experienced personnel. Installation instructions for this product should be read thoroughly before installation is performed. The manufacturer and supplier of this product disclaims any liability or responsibility for the results of improper or unsafe installation practice.
