

### *Product Description*

CADWELD PLUS Electronic Ignition Controller initiates the reaction of the metal crucible. Includes a 6-foot high temperature control unit lead. Lead attaches the ignition strip using a custom made, purpose-designed termination clip.

1  
Insert CADWELD PLUS package into mold (optional: use with or without cover/baffle)

2  
Attach control unit termination clip to ignition strip

3  
Press and hold control unit switch and wait for the ignition

4  
Open the mold and remove the expended steel cup - no disposal required
